

## KINGFISHER CLASS CURRICULUM INFORMATION LETTER

Date: 12.06.20

Dear Parents,

It was great to welcome Kingfisher Class back this week and we have been very busy learning and having fun. Next week we will continue with our topic; 'Our Senses' concentrating on sight. Our focus will be on the story 'Brown Bear, Brown Bear, What Do You See?' Next week, for our Art session, we will draw the other half of either a frog, like the ones in our pond, or our therapy dog Otis. We are always amazed at the creativity of the children!

Subject Area	Weekly Curriculum/Learning Intentions/Vocabulary	Ideas for you to try at home
<b>English</b>	<p>We will continue working hard in our Read, Write, Inc. sessions. These are daily sessions where we focus on our handwriting, phonics, reading and sentence structure.</p> <p>Children will be describing the different things they can see in their new story 'Brown Bear, Brown Bear, What Do You See?' For those children learning from home please check Seesaw for this writing task.</p> <p>Please, find attached the link of our next story.</p> <p>Brown Bear, Brown Bear, What Do You See?</p> <p><a href="https://www.youtube.com/watch?v=WST-B8zQleM">https://www.youtube.com/watch?v=WST-B8zQleM</a></p>	<p>Please read with your child at home and ask a range of comprehension questions, e.g. "What did the bear see?" Talk about the different colours in the story and the associations made with each colour. What other colours can children think of and what associations do they have? Encourage use of descriptive language.</p> <p>Try and give the children time to practise their writing skills. This could be using chalk on the ground outside or by helping to write a shopping list.</p>
<b>Maths</b>	<p>Next week, we will continue to learn about numbers. We will be learning about writing number sentences to go along with our songs. Some of us will be matching numbers to quantities and others will be identifying and finding the missing numbers.</p>	<p>Singing different number songs, counting objects and toys around the house and playing matching and sharing games, e.g. teddy bear's picnic - giving a plate to each teddy, etc.</p>
<b>Useful Links</b>	<p>Phonics play (many online Phonics games to play) <a href="https://www.phonicsplay.co.uk/">https://www.phonicsplay.co.uk/</a> White Rose Maths <a href="https://whiterosemaths.com/homelearning/">https://whiterosemaths.com/homelearning/</a> Senses Quiz <a href="https://www.bbc.co.uk/bitesize/topics/z9yycdm/articles/zxy987h">https://www.bbc.co.uk/bitesize/topics/z9yycdm/articles/zxy987h</a> Sense of Sight <a href="https://www.youtube.com/watch?v=AFK8GSXUtgI">https://www.youtube.com/watch?v=AFK8GSXUtgI</a></p>	
<b>Notes</b>	<p><b>Star of the week:</b> Everyone: For a fantastic first week back! </p> <p><b>All parents:</b> We have books from our school library set up on the tables outside school or inside if it is a rainy day. It is an excellent opportunity for you to swap old books and pick up new ones. Please come by and follow the instructions on the notice board.</p>	

**Thank you for all your continued support**

**The Kingfisher Team**
