

Reception Curriculum Information Letter

Date: 25.5.20

We want to thank you for your continued support and dedication to your child's learning whilst they have been at home. As a Reception team we have been very impressed by the variety of learning that has been shared with us via Seesaw and we know there has been more beyond that.

Next week is half term and we would truly like for you and your children to take the break, relax and recharge before the second half of the summer term begins.

	Ideas for home
Seesaw	We will not be uploading new learning materials onto Seesaw for the half term week. However, if you would like to upload any learning updates such as information on any ongoing learning such as your growing plants etc, you are more than welcome to do so. The Reception team will look at any uploaded learning in the following week beginning 1 st June.
RE	<p>This coming weekend is a very special one for all of those families who will be celebrating Eid! The new moon should be sighted on either Saturday or Sunday and this will mark the end of Ramadan and the fasting which has gone on for the past few weeks. Here is a video which will explain Eid to your children in a really clear way.</p> <p>Eid Mubarak to all of our Muslim families.</p> <p>https://www.youtube.com/watch?v=6OF4HEGNBRQ</p>
Creative	<p>Optional Half Term Art Project - Here is a zero mess, zero cost optional art activity, which we are sending out to all year groups.</p> <ul style="list-style-type: none">Choose a colour and create your first initial using objects from around the house. Then take a birds eye photograph of the work and upload it onto Seesaw.
Reading	<p>Reading is the most valuable learning to continue with at all times, both your child reading themselves and being read to by you. Bug Club is fully operational. We are happy to see so many of you reading. New books will be allocated to children who need them.</p> <p>The real books in Brooks Lane will not be available next week.</p>

The Reception Team
