Academic year	£17,800

The three headings below enable schools to demonstrate how they are using the PE funding to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Cost	Impact/ review
-Confident and skilful delivery of PE lessons by all staff -Confident and skilful delivery of PE lessons by all staff (through excellent CPD)	-PE Champion (part time) works alongside the PE Leader to promote fitness and skills across the school by modelling outstanding teaching and introduction of new initiatives and active curriculum -Learning Walks (led by PE Lead) -Annual PE Conference (HT and PE Lead) -Brentford Football club support -Review of PE assessment in school	-PE champion enthuses our whole community and supports us in developing PE even further -New initiatives and upskilling staff help keep enthusiasm and expertise of staff high	-Monitoring and learning walks by PE Lead and SLT -PE Lead to monitor in learning walks	£12,174 £600	Most staff felt confident through results of staff questionnaire, new SOW needed to increase confidence in gym and dance

Children to enjoy tennis and develop some early skills	Will to Win Year 1 and Year 2 tennis for a half term	-Will to Win is a company with a trained tennis provider and will break down tennis skills into a good progression for young children.	Team Leader to monitor quality of tennis teaching	£1100	Didn't happen due to lockdown March 2020
Children to be involved in a range of extra-curricular sport/ physical clubs	Physical clubs to run at 75-100% capacity and PP children to be represented	-Attitudes are set in the early years of a child's life – the idea that physical activity is fun and that you can practise and develop your skills in a Sport as a hobby. -Another way to increase daily/ weekly physical exercise	Office staff to record the number of children attending a physical club.	No cost	PP children represented at clubs, more monitoring needed of attendance at after school clubs

Total budgeted cost £13,874

ii. Targeted support

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Impact/ Review
To target children who need intervention in their gross motor skills/ social emotional needs or who need support to exercise	Weekly intervention club for Year 1 and Year 2	-Weight data from LA shows that 20% children are overweight or obese. This is line with national but we would like to see this decrease.	Children selected on a termly basis on rotation by year group	PE Lead	Lunchtime intervention club was on to target these children, cut short by lockdown March 2020

Total budgeted cost Within above

iii. Other approaches

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Cost	Impact/ Review
To provide active workshops throughout the year to enrich the curriculum	Book interesting and inspirational people to visit children and enthuse them in a new skill or general attitude: -Skip hop workshops -A life workshop -Rubicon scooting -Walking Breakfast -Scoot to School Day -Bike Breakfast -Half termly drill	-Attitudes are set in the early years of a child's life – the idea that physical activity is fun and that you can practise and develop your skills in a Sport as a hobby. -Another way to increase daily/ weekly physical exercise	Team Leader to provide feedback on the quality of provision	Alife: £400 Skip-hop: £550 Rubicon: £240	ALife and skip hop went ahead, the rest didn't happen due to lockdown March 2020
